April 2022

Our peer mark weightings

After discussing with the group, we have decided on the following peer mark weightings within the group:

Name	Peer Mark Weighting / 100	Role in Group
Abdul El-Hamawi	16.66	Data Scientist
Chris Strods	16.66	Data Visualisation Specialist
David Anderson	16.66	Data Scientist
Jamie Twiss	16.66	Communications Manager
Shubhankar Dutta	16.66	Project Lead / Data Scientist
Sonal Chawla	16.66	Communications and Visualisation Specialist
	100%	

These weightings were assigned after taking each member's individual contribution to the project in consideration.
