Meeting Minutes	
Agenda Item	Minutes
Roles and Responsibilities	Discussed about the roles and responsibilities of each member. Roles revised as noted above; some team members will play multiple roles
Languages and tools	The team agreed to work primarily in R, and to use R Markdown (and potentially MS Office as needed) for the final report
Schedule weekly group meetings with course conveyor	This has been done for week 2. It was agreed that no meeting was expected for Week 1
Teamwork software list	The team reviewed and approved the software list
Project plan	The team agreed to shorten and review the project plan, ahead of Tuesday submission
Upcoming instructor meeting	<p>The team started a list of questions to ask in our Monday instructor meeting. This list will be expanded and revised on Teams chat. Initial questions include:</p> <ul style="list-style-type: none">• Do we need an abstract?• What will instructors actually review during the project? Only GitHub? Invite to Teams?

Actions Table				
Agenda Item	Action	Responsible Member(s)	Due Date	Status
